### **1. GET A LIBRARY CARD**

Get a Parsippany Library card to access all of our free services! If you work in Parsippany but live out of town, you can get a Parsippany Library “Courtesy Card.” Your school can also get an “Organizational Card.”

### **2. BOOKS FOR CLASSROOM USE**

Check out books on current units or topics of interest, to supplement books from your school media center. Most books can be checked out for a month with 2 renewals.

### **3. SUPPORT FOR UPCOMING ASSIGNMENTS**

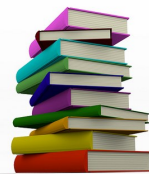

Let the children’s librarians know about upcoming assignments so that relevant materials will be readily available to your students when they come to the library. When you let the librarians know about recurring units and assignments, they can anticipate future needs when ordering new materials.

### **4. FAST, CONVENIENT PICK-UP**

Save time by phoning the library ahead of time to ask a librarian to pull materials you need. The materials will be waiting for you at the front desk or in the children’s room for quick pick-up. We would appreciate at least 2 days advance notice to fulfill these requests.

### **5. LIBRARY TOURS**

Schedule a date to bring your class to the library for a tour and to get new library cards for your students. Students with library cards can check out books at the end of the tour.

### **6. BOOK LISTS AND BOOKTALKS**

Invite a librarian to your class to read a book or do a booktalk about new books or books on current class units. We can also create book lists on topics of interest.

### **7. TUTOR.COM**

Ask a librarian about Tutor.com, a free online tutoring service available through Parsippany Library’s website. This service provides one-to-one tutoring in real time with a live tutor.

### **8. LIBRARY DATABASES**

Access free electronic databases through the Library website. These databases contain digital content (magazines, newspapers, encyclopedias, etc.) to help students with homework, or students can explore the content just for fun.

### **9. DISPLAY STUDENTS’ WORK**

Display your students’ artwork and projects at the Library. Displays should be arranged, in advance, with the children’s librarian.

### **10. LIBRARY PROGRAMS**

Ask about our educational and entertaining programs, including book clubs, STEM based programs, craft programs and more for your students, as well as adult programs for you and your family!
