

**Parsippany Public Library
Program Proposal Form**

Thank you for your interest in presenting a program for the customers of the Parsippany Public Library. The Library welcomes program proposals and recommendations from the public, qualified speakers, authors, and performers. Your proposal will be reviewed by the Library's Programming Committee.

The Programming Committee evaluates each proposal based on how it supports the Library's mission and vision. The committee also considers whether the topic is currently or potentially of interest to our customers, the expertise and presentation skills of the speaker, and budgetary considerations.

The library welcomes partnerships with the local business community, health providers, educators, community organizations, community leaders, authors, and performers.

The Library will only contact you if the Programming Committee is interested in pursuing your topic. Our planning cycle begins as early as one year prior to the date of the program, and not all topics are covered each year. Therefore, we may contact a speaker a year after the initial receipt of a proposal. **Please do not call for updates.**

Please read The Library's programming policies before you complete this form. By submitting a proposal, you agree to these policies.
