The Friends of the Parsippany Library is made up of people who believe that the library is the heart of the community. Our libraries need your help obtaining additional funds to help support as many *free programs* as possible to the residents of this community (whether you live and/or work here). We do this by holding fundraising events throughout the year such as dining out at local restaurants; holding a Prom Dress Sale and Storybook Breakfast; and running the *Book Nook*. The Book Nook is located on the ground floor of the Community Center. It sells gently used books and holds book sales at the Main Library several times throughout the year.

A few of the programs we have recently helped sponsor are Sunday music programs, the Summer Reading Program, and the Live Well Age Smart Series. We have also donated funds to purchase Makerspace supplies, digital media players for children, the new book/media drop box, and Grounds for Sculpture museum passes. With your help, we can continue to sponsor such programs.

In addition to new membership donations, we are looking for people who are willing to become active members by volunteering a couple of hours during the year at our fundraising events. Please stop by at one of our meetings and see what we are all about. Meetings and event dates are listed on our website.
