

**PARSIPPANY-TROY HILLS PUBLIC LIBRARY
449 HALSEY ROAD
PARSIPPANY, NEW JERSEY 07054**

**NOTICE OF CANCELLATION OF
REQUEST FOR PROPOSALS
FUNDAMENTAL AND ENHANCED COMMISSIONING SERVICES
CONSTRUCTION OF LAKE HIAWATHA BRANCH LIBRARY**

NOTICE IS HEREBY GIVEN that the Parsippany-Troy Hills Public Library, New Jersey (the "Library") has cancelled the Request for Proposals for qualified firms and/or individuals to perform Fundamental and Enhanced Commissioning Services for construction of Lake Hiawatha Branch Library, originally advertised and listed on the Library's website as of April 16, 2021 (the "RFP").

The reason for the cancellation is that the Library determined it needed to amend the RFP to eliminate the requirement that bidders submit evidence of performance security, however, there was insufficient time to give adequate notice of the cancellation as required by N.J.S.A. 40A:11- 23(c), and therefore, cancellation of the RFP is required pursuant to N.J.A.C. 5:34-9.3(a).

No bids will be accepted in response to the RFP, although the Library intends to issue a new RFP for Fundamental and Enhanced Commissioning Services by on or about May 14, 2021.

All proposals received in response to the RFP will be returned to the prospective bidders, who can pick up their unopened proposal package at the Library within ten (10) days following receipt of this Notice. Any proposals received and not picked up will be returned by the Library to the prospective bidders.

A copy of this Notice also will be posted on the Library's website at <https://parsippanylibrary.org/>.

Melissa Kuzma
Library Director
